

TAKEOVER CHALLENGE

friday 18 november 2016

How could you get involved? Takeover Challenge is an England-wide event where children and young people get to take over in the work place. It helps children and young people gain an insight into the world of work and helps organisations gain a fresh perspective about what they do. Bradford is one of the youngest districts in the UK and is a flagship area for the challenge. We want as many children, young people and businesses to get involved.

For more about how you can help or get involved email takeoverchallenge@bradford.gov.uk
